REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Green Sea Floyds High School made significant strides in the 2008-09 school year. Our senior class of ninety-one graduates accumulated an impressive \$1,118,546 in scholarships including 21 LIFE, one HOPE, two Palmetto Fellows, and various other accolades. Our graduating class has a multitude of aspirations which range from attending two-year colleges (43%), attending a four year college (29%), seeking immediate employment (15%), and joining the armed forces (13%). The administration, teachers, and staff worked diligently to ensure that our students are properly prepared to compete in a global society. In doing so, teachers utilized Measures of Academic Progress (MAP) data to drive instruction addressing student weaknesses while capitalizing on their strengths. Middle school students made impressive gains on MAP assessments which indicate future academic success. Additionally, all ninth and tenth grade students were served in yearlong English and math classes in an effort to afford them daily, intensive, and explicit standards based instruction to fully prepare them for high stakes assessments such as HSAP and EOC. The US News and World Report recognized GSFHS as one of "America's Best High Schools." During this year, several students participated in a cutting edge online web design course. Our girls' tennis team won the lower state championship for the second consecutive year, and two seniors signed to play baseball at the collegiate level. Failure is not an option: Believe, Achieve, Succeed. These words emanate within the halls of Green Sea Floyds High School. Our continuous goals involve increasing graduation rates and improving student achievement and attendance. The administration, staff, students, and community worked diligently to make 2008-09 a successful year, and everyone anticipates significant accomplishments in the 2009-10 school year. R.L. "Chip" Hennecy, Jr. Ed.D., Principal; Sherry Worley, School Improvement Council Chairperson
